PROFESSIONAL OBJECTIVE

To provide value to an organization of like-minded professionals by applying my diverse work background to positively impact my colleagues and those I serve.

PROFESSIONAL PROFILE

I want to continue to develop and build on my diverse professional background with great energy, capability and empathy. I will bring a solid work ethic, excellent creativity, and outstanding collaboration skills. As a military spouse, I have learned to adapt and be a lifelong learner who will humbly and quickly integrate with the team. I work tirelessly to create a positive and enduring impact on the development and growth of those I serve. Please feel free to contact my references below regarding my experience.
